Face to Face with the New Testament!

- ◆ **Hear about the amazing New Testament discoveries from the sands of Egypt**
- ◆ **Learn how the New Testament documents were written and copied**
- ◆ **Understand why we can have confidence in the New Testament text and its history.**
- ◆ **View one of the earliest fragments of the New Testament that is housed at the Museum.**

Macquarie University has at its Museum of Ancient Cultures a unique collection of over 700 ancient documents from Egypt and one of the earliest fragments of the New Testament. *Face to Face with the New Testament* is a fascinating look at the New Testament documents and the reliability of their transmission. Dr. Don Barker who is a Papyrologist at Macquarie University leads the seminar.

(Because of university costs we prefer groups of not less than 12 persons. If a group is less than 12 the cost is \$198.00. For groups over 12 the cost per person is \$16.50)
